

Experiment 8 : Programs to print the various Sequences

Program 1 - Write the python program the print the given series : 7,10,8,11,9,12.....

print the given series from 7 to 50

Program 2 - Write the python program the print the given series : 22,21,23,22,24,23.....

print the given series from 20 to 80

Program 3 - Write the python program the print the given series : 53,53,40,40,27,27.....

print the given series from 53 to 100

Program 4 - Write the python program the print the given series : 14,28,20,40,32,64.....

print the given series from 14 to 100

Program 5 - Write the python program the print the given series : 2,6,12,20,30,42.....

print the given series from 2 to 100
